

Dear Alice,

Next week I'm organizing a big birthday party. It is my 13th birthday. I am going to give this party in my house. I will decorate rooms with balloons, confettis, banners etc. We will buy a big birthday cake. This party starts at 12 a.m. ends at 5.30 p.m. My friends are going to come. They are Lila, Sue, Jack, Lisa, Mark and Martin. Lisa, Mark and Martin are my classmates. Lisa and Sue are my buddies. We have lots in common. They back me up when I feel sad. They are true friends. So, this party is very important for me. I hope you can join my birthday party!

Take care!
Dorothy
